The digital shared laundry room
5 steps to clean laundry

1 Sign up for free

via the app

App Store
Google Play

or

via the web app
we-wash.com/en

2 Reserve an appliance

Reserve an appliance easily and conveniently via the WeWash App or the web app.

3 Wash and dry your clothes

Make sure all pockets are empty. Everything else stays the same: Load the appliances, select a program and start it.

4 Always stay informed

Be notified by push notification as soon as your laundry is ready to be collected.

5 Digital and cashless payment

Convenient cashless payment via the WeWash App.
